

Brief Overview of Sweetpotato Seed Projects

Ted Carey

SSP-WA Meeting
24 January 2012

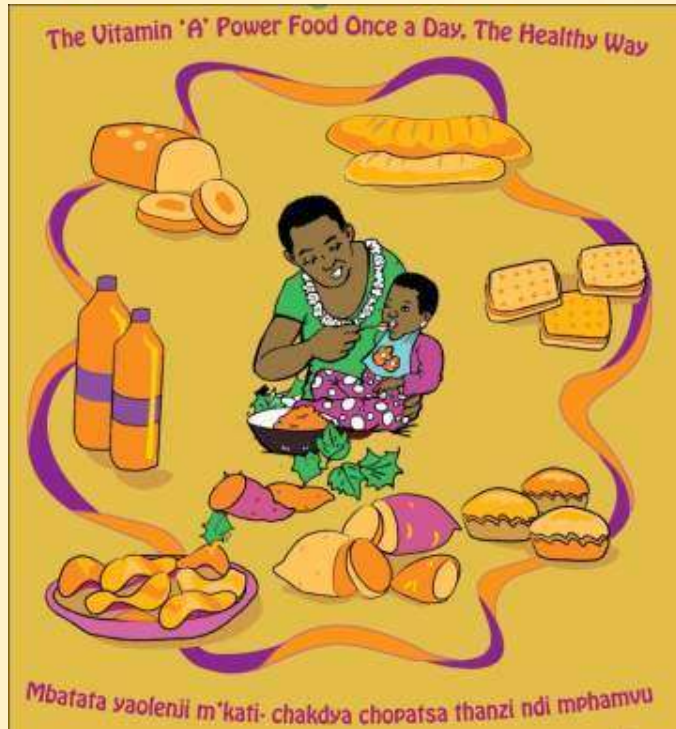

Sweetpotato “Seed” Project

*Mitigating Disaster with Drought Tolerant
OFSP in Mozambique (USAID)*

Sweetpotato “Seed” Projects

*Rooting Out Hunger
in Malawi (Irish Aid)*

OFSP in
Angola
(Chevron)

OFSP in Ethiopia
(USAID & ASARECA)

Bvumbwe DARS, Primary Site 4 Hectares Zondeni

Mobi+Lise, Mulanje Vouchers

Vine multiplier, Mulanje

Millennium Villages Project, Zomba

CADECOM, Vine Multiplier Chikwawa

Chikwawa

Kachele Club, Salima

Sweetpotato “Seed” Projects – DONATA and Morando Bora

Enhanced uptake and adoption of orange-fleshed sweetpotato (OFSP) technologies in Ethiopia, Kenya, Rwanda, Tanzania and Uganda (July 2008-December 2012)

Support from ASARECA, FARA and the African Development Bank

Morando Bora – Tanzania under SASHA in collaboration with CRS, aim of targeting 40,000 households – won't meet goal. Lessons learned

Plenty of Lessons Learned

Integrated projects – demand creation

Partnerships

Plant health

Etc.
