1. Outcomes from learning journeys

Learning Journey context: (Place, date, Route & theme)	Skill, idea, technology etc. picked/learned	Skill, idea, technology etc. tested/experimented/applied	Any changes (on practice) noticed
Kigali April 2015 Route 2 Inspection of sweetpotato quality declared seed	Inspection protocol for sweetpotato (FAO)	Trying to domesticate the inspection protocol	Quality requirements determined (disease tolerances)
Kigali April 2015 Route 1 Net tunnel	Using alternatives to wires in constructing net tunnel.	Use of nylon ropes	Easy to open and close the net tunnel
Kigali April Route 3 Tissue culture micro propagation and hardening	Reduction of cost in TC production	Increase screenhouse production	Increased number of screenhouse from 1 to 2 and net tunnels for more production
Nairobi December 2015 Route 1 Identifying good practice for tissue culture micro propagation and screenhouse production	Use of bar code for labeling Grafting on sweetpotato on I Setosa	Grafting and NCM ELISA being done	Improve Quality assurance
Arusha May 2016 Route 1 Good agronomic practices for commercial root production	TC micropropagation Different marketing strategies	Not applied yet	

2. Outcomes from F2F meetings & /or SGA

F2F meetings OR SGA: (Place, date, & theme)	Skill, idea, technology etc. picked/learned	Skill, idea, technology etc. tested/experimented/applied	Any changes (on practice) noticed
December 2015 in Qaribu inn	Trailing of vines to increase production	Use of wires to trail vines	Increased production
Arusha May 2016	Use of coconut residues as screenhouse media	Not applied yet	
December 2015 Qaribu inn	No of sreenhouse rationing in the screenhouse from KEPHIS	Applied	Increased production and maintain quality

3. Outcomes from Online D-G forum

Discussion Topic	Skill, idea, technology etc. picked/learned	Skill, idea, technology etc. tested/experimented/applied	Any changes (on practice) noticed
No of rations			
How quantify vines (nos or weight)			
How to transport vines			
How to pack vines			
Disease management in the sreenhouse			

4. Outcomes from SPKP

Name of article	Skill, idea, technology etc. picked/learned	Skill, idea, technology etc. tested/experimented/applied	Any changes (on practice) noticed
