

## INTRODUCTION

Africa Food Supply Ltd is producing seeds of roots and tubers and growing from the increasing market demand of high quality vegetables and fruits.

## OBJECTIVES

To educate small farmers, avail seeds and link the small farmers to markets

## MISSION:

To provide high quality and nutritional vegetables, fruits, cassava and orange fleshed sweet potatoes for consumption in Rwanda, by empowering farmers through capacity building, seeds resources availability and market exposure towards the farmers' economic self-reliance.

## WHAT WE DO

- **Capacity Building**
- **Seed Production**
- **Linkage Farmers to the Market**
